VISIBILITY WORKWEAR

INTRODUCING SPOTLITE MV—STAND OUT

High-performing workwear that looks great and helps you stand out.

Spotlite MV is designed for workers on the go who need garments that are easy to move in, comfortable, and stylish.

Innovative segmented silver reflective striping enhances visibility even in low light settings, while the lightweight, moisture-wicking, breathable fabric offers unparalleled mobility and comfort. Our unique color-block design provides a contemporary style for an upscale look.

Exclusively manufactured by UniFirst in ISO-9001 certified facilities.

Spotlite MV Visibility Shirts

NEW Enjoy unrestricted movement with these innovative enhanced visibility UniWeave® button-down work shirts that combine style and comfort to fit the way you work. Features include segmented silver reflective striping at side gussets, arms, and center back for visibility. Resistant to moisture, stains, wrinkles, and fading. Contrasting-color side gussets and button chest pockets. 65/35 poly/cotton poplin. *Made by UniFirst.*

Colors: Black/Red (BP), Black/Grey (ER), Navy/Grey (JJ)

MIMIX is taking the workplace by storm. We've partnered with Red Kap to offer these scientifically designed garments that are changing the way people think about workwear. Built-in stretch mesh panels have been strategically placed to maximize mobility and improve breathability. Bend, stretch, squat, and reach without feeling confined or concerned, because MIMIX is built for the way you move.

MIMIX flex panels improve mobility and breathability.

06MX

MIMIX™ Ripstop Work Shirts

Dramatically improve your mobility and comfort level with this innovative work shirt that features strategically placed mesh stretch panels on the back, making it extra flexible and breathable. Lightweight ripstop fabric with Touchtex™ moisture-wicking technology provides superior color retention, soil release, and additional breathability. Two button-through hex-style chest pockets with pencil stall on the left, color-matched melamine break-resistant buttons, and a two-piece lined collar with sewn-in stays for a modern look. Women's shirt has a gently contoured silhouette. 4.25 oz. 65/35 poly/cotton ripstop. MIMIX panels: 3.8 oz. performance mesh, 100% polyester.

FACILITY SERVICES

Our facility service programs help you win the battle of positive perceptions with your customers, employees, and stakeholders. With our regularly scheduled services, we eliminate the hassle and expense of purchasing, stocking, laundering, and maintaining supplies. We deliver what you need, when you need it to lower maintenance costs, while improving overall hygiene and safety.

FLOOR MATS

All UniFirst-made floor mats, from decorative entrance and photo/logo/message mats to nitrile rubber scraper and “wet area” mats, are designed for heavy foot traffic and trap and hold dirt, dust, and moisture better than the alternatives. With regularly scheduled floor mat service, soiled mats are picked up and replaced with professionally cleaned ones.

MICROFIBER MOPS AND WIPERS

Our microfiber mops, dusters, and scrubbers are ideal for cleaning hard surfaces. Use them wet or dry, and clean faster with less water and chemicals.

WET AND DRY MOPS

UniFirst mop services are designed to make cleaning easier and more economical for businesses of all sizes and traffic volumes. We take care of all the dirty work, including the laundering and regular replacement of soiled mops with fresh products.

TOWELS AND CLOTHS

Our regular laundering and inventory-management services ensure you always have fresh, high-quality cleaning cloths on hand when you need them. Disposable wipers are also available.

CLEANING AND DISINFECTING SOLUTIONS

You can save up to 90% or more in product costs when compared to purchasing ready-to-use cleaning and disinfecting solutions. Unlike mixing “free pour” concentrates, our wall dispenser and “one-shot” systems accurately dilute and dispense the high-performance solutions you need with ease and with no wasted concentrates. PURELL® Surface Sanitizer and Disinfectant Spray System is also available.

HAND CARE, SOAPS, AND SANITIZERS

UniFirst handwashing and skin care products are formulated to clean, kill germs, and keep skin soft and healthy—even with frequent use—and we have environmentally friendly “green” options available too. Each product is available with our stylish dispensing systems, featuring cost-saving portion controls. Your UniFirst representative can recommend the products that will deliver the best results for you.

PAPER TOWELS AND TOILET PAPER

To provide sustainable restroom cleanliness and hygiene solutions, we supply TORK® paper towels and toilet paper, which carry Green Seal and ECOLOGO® certifications and are manufactured from base paper that is 100% recycled. Portion-controlled paper dispensing systems reduce waste and come in traditional and “touchless” options.

AIR FRESHENERS

We offer environmentally friendly air freshener system options that neutralize odors at the molecular level, eliminating unnecessary chemical “masking” that could affect air quality. All of our odor-control products meet stringent clean air standards and dispense fragrance in accordance with guidelines established by the International Fragrance Association to protect the environment and human health.

ANCILLARY PRODUCTS

To help safeguard your staff on the job, we also offer a selection of personal protective equipment (PPE), including latex and nitrile gloves, safety glasses, facemasks, and more. High-quality cleaning cloths, disposable wipers, and other ancillary products also available.

We offer a complete line of facility products and services, safety products, and PPE not shown. Just ask your UniFirst representative about other facility service options.
