

## ISO Certification Ensures Quality

**UniFirst** | ISO 9001:2000  
ISO 9001:2008

Evidence of our ongoing commitment to total customer satisfaction.

- You can expect superior customer service practices and reliable management systems.
- You're assured that strict internal procedures and quality standards are maintained for all processes.
- You'll experience consistent performance results from clearly documented work protocols and procedures.
- You can count on careful processing and timely delivery of all products and services.

\* UniFirst Corporation locations are individually ISO certified. Included are our distribution, manufacturing, cleanroom, and nuclear laundry facilities. Our industrial laundry operations are also certified independently. For those plant locations not yet certified, audits and certifications are scheduled.
